FOR IMMEDIATE RELEASE

Swim lesson registration expects large turnout

WEATHERFORD (CITY OF WEATHERFORD), Texas — The City of Weatherford Parks, Recreation and Special Events Department, will offer swim lesson registration for city residents beginning Friday, May 8. Registration will begin at 5 p.m. and end at 8 p.m. at Old City Hall, located at 119 Palo Pinto St.

City residents providing proof of residency will receive a discounted rate of \$40 compared to the non-resident rate of \$52. Residency is defined as persons residing within the municipal boundaries of the City of Weatherford. Proof of residency is verified with a City of Weatherford utility bill and a valid driver's license. The utility bill and driver's license must have the same name and address. Due to high demand, all participants may only register for one (1) session during the Friday registration. All non-filled sessions will be available for multiple registrations on May 9 at 9 a.m. and end at 11:30 a.m. during open registration for non-residents. Patrons may only register participants who reside in the same household.

“Our swim lesson program is one of the largest services we offer,” said Director of Parks, Recreation and Special Events Shannon Goodman. “This year we have moved registration back to Old City Hall and will offer popcorn and soda as patrons stand in line. Historically we have seen a large turnout during registration with patrons arriving hours in advance and we expect a similar turnout again this year.”

For more information call the Parks, Recreation and Special Events Department at 817-598-4124. Registration will continue until classes are filled. Refund policy will be available during registration and at www.weatherfordtx.gov/parks.
